

WILLIE ELLISON MEDAL

In 2004 the Northern Territory Rugby Union initiated an award for the Best on Ground in the First Grade Grand Final.

A Medal was struck in honour of Willie Ellison who had lost his life in a light plane crash in Indonesia in June of that year. Willie was a member of the Swampdogs 1998 Premiership side having also played with Casuarina and was a regular member of Northern Territory Representative XV's.

With a laconic nature making him popular with his peers he embodied the values and virtues of Country Rugby.
